#### APPRECIATION LETTER TO THE MUNICIPALITY

This is to appreciate the community for their care and love before and during our 3 months training. We especially appreciate the finances and time invested to make our stay memorable. The social activities organized for us made an indelible mark in our hearts, we were able to interact with members of the community and each other in a relaxed and stimulating atmosphere.

On the first day of training, we were informed the municipality sponsored one of the training participants. Thank you for the plane ticket, the study fees, daily allowance and accommodation arrangement. Your contributions have enabled knowledge and skills transfer to our developing dairy sectors back home.

Lastly, we would like to extend an invitation to the entire community to our various countries in Asia and Africa.

Thank you.

Yours Faithfully,
